

What is the PGS?

The Parish Giving Scheme (PGS) is a 21st century solution to improving the efficiency and security of personal giving.

Donations made through this scheme use a Direct Debit. This can be made on a monthly, quarterly or annual basis.

This method of giving can replace regular donations made by the envelope scheme or cash in church services, or made by standing order.

Each donation is restricted to Lymington parish and the scheme is guaranteed as safe and operated in partnership with the Church of England.

Our Christian presence at the heart of Lymington, serves our community by sharing faith and values, by worshipping together and by our wonderful buildings. All of this has a cost, which is largely met by personal donations. For the Church to survive and grow, we rely on regular donations so that we can plan confidently for the future.
