Church Mission Society (CMS):

The CMS Community have just been praying for our Mission Partners the Peart family. They have been using these thoughts: 'Praise God for the opportunities he has opened up for Mission Partners Andrew and Lisa Peart and their daughters to serve in new ways during the pandemic through baking bread for their neighbours. Pray for relationships built during this time to grow as a result of Andrew, Lisa and the girls' loving hard work, and that they will be able to develop their work of seeing people flourish and furthering God's kingdom in this community'. Do please join in with these prayers for the Peart family and also ask God to keep them safe from the pandemic and any possible political problems from forthcoming elections. Your prayers are very much valued by the family. Thank you. Sandy White

Basics Bank:

The Basics Bank has had a quieter week supplying 59 family parcels which is as a result of the NFDC self-isolating project coming to a close. This means they require fewer people but Lynn's excellent "sign me up" app is always looking for more volunteers as they are open 5 days a week. Their latest newsletter is attached.

Diocesan information:

Do visit the diocesan website at www.winchester.anglican.org/ and the cathedral website at www.winchester-cathedral.org.uk/ for details of the various worship services and daily reflections on offer.
