

Sunday, 9th August 2020 – Trinity 9

The parish office is functioning from Gill's home and telephone messages to the office are checked frequently.

Please do look on our website www.lymingtonchurch.org where you can find the latest information and suggestions for supporting your prayer-life online.

Collect for Trinity 9

Gracious Father,
revive your Church in our day,
and make her holy, strong and faithful,
for your glory's sake
in Jesus Christ our Lord.

Worship at St.Thomas Church – Sunday 9th August 8am, Wednesday 12th August 11am:

The church can now accommodate around 40 (depending on how many people can sit together in pairs) and **FACE COVERINGS MUST BE WORN.**

Ride and Stride – Saturday 12th September

Last year this raised a record £70,000 for the historic churches of Hampshire and it is hoped it can take place again this year in a slightly amended form. Churches can be visited but perhaps not entered and monies can be donated on-line. Further details nearer the time but please put the date in your diary!

Courtyard Shed:

The shed contains necessary items as well as a typically-accumulated assortment of other things which need sorting out so that we can properly accommodate some recently purchased gardening equipment. If anyone feels able to offer to help with this it would be much appreciated. Please contact Maureen (674458).

Basics Bank:

This is the last week they will be working with NFDC to provide food parcels for the vulnerable self-isolators as alternative support has now been put in place. The schools' project at New Milton continues with fewer families and most able to collect their parcels from the new building. Fareshare continue to supply wonderful almost free food, but this has meant they have had to hire another container. Masks made by 'New Forest Sewing for the NHS', spearheaded by Gavin Jones, have been available on Mask Trees, free with a donation to charity, and Basics Bank has received over £2,000 to date from these donations. Their newsletter is attached.

Aluminium recycling – a reminder:

Many thanks for the continuing contributions of aluminium for recycling, in aid of Pennington Community Allotment. **Please do NOT put STEEL food cans in the collection box.** Recently there was a large collection of steel cans – please put steel cans in your household recycling. **All food cans are made of steel, not aluminium;** exceptions are a few brands of sardines and small tins of cat food, and these say 'alu' on them. If in doubt please leave them out. Aluminium may be drinks cans, screw type wine bottle tops (but NOT beer bottle tops), pie/food containers, sweet wrappers (but not plastic ones) and aluminium foil. Please 'wash and squash'. Thank you.
