Meeting ID: 854 1446 0633 Password: 679113

Please contact the parish office if you wish to join the meeting via your home landline telephone, and if you would like a copy of the 2019 accounts.

The Electoral Roll is now closed until after the APCM and can be checked via the parish office.

The Friends of St.Thomas AGM: this will be on Wednesday 18th November at 6.30pm either in St.Thomas or via Zoom as appropriate at the time.

Harvest Donations: thank you to everyone who donated goods and money for the Basics Bank and thanks to Andy and Barbara Clapper for transporting the offerings. The Basics Bank were most appreciative of our generosity.

Heartedge Sermon Series: notes accompanying this series are available on our website or can be emailed directly if required. Please contact the parish office to be added to the email list.

The Mission to Seafarers: we have received grateful thanks for our generous donation of £2,500. The seafarers are not allowed to leave their ships because of Covid 19 and The Mission deliver essential toiletries to both male and female seafarers.

The Bishop's Commission for Mission Courses now include Lay Pastoral Work, even more necessary in these currently unsettled times. The courses last no more than one term and, due to the current restrictions, are taking place online (I have been assured that this is not as technically challenging as it may sound). The next course is being planned for January 2021. Please consider if you feel you are being called to support our parish pastoral work and would therefore like to find out more - from Maureen Harris (674458).

Love in a Box: please leave donations in the parish office. We need gloves, a few hats (not scarves), toothpaste (not brushes), soap, colouring books, general stationery and small toys (not military), and cash donations always appreciated.

Skills Share Treasure Trove: Lymington and Pennington Green Week has its own YouTube Channel! We have been filming at the allotment, in gardens and around Lymington, some short skills videos. Choose from ... pulling onions, making your own fabric bag, using an oscillating hoe, creating a wormery, composting, small gardens, nematode soup, comfrey tea and elderflower cordial.
