News

25th October 2020

www.lymingtonchurch.org

The Friends of St.Thomas AGM: this will be on Wednesday 18th November at 6.30pm either in St.Thomas or via Zoom as appropriate at the time.

Christmas cards in a variety of 6 different designs are now on sale in St.Thomas Church. Priced at £3, £4 and £4.50, sales will support The Friends of St.Thomas Church. Cheques to be made out to 'Friends of St.Thomas Church'. For large orders, please contact Joanna Oswin (674630) or email joannaoswin@gmail.com.

Amanda and Trevor Dawson would like to say thank you for all the goodwill messages received on the occasion of their wedding last Sunday.

Basics Bank: they sent out 66 parcels last week and are anticipating a busier quarter as the economic climate looks so uncertain. They are pleased to report that the new building is complete and all bills paid, including the removal of the old cabin. They ask if people can act as their “eyes and ears” and point any individuals or families who you feel could benefit from their help in their direction or refer them to the relevant agencies. Sue Norris has started a new initiative with students who are looking to achieve their bronze Duke of Edinburgh award, bringing in the next generation.

The Future Use of All Saints Church: In January 2016, the PCC passed a resolution to apply to close All Saints church for regular public worship and for it to be appropriated to use as a children’s nursery and pre-school, and for occasional Christian worship in accordance with the rites and ceremonies of the Church of England. Subsequently, in May 2017, the Church Commissioners determined that the Scheme should proceed, but this was conditional upon planning permission and listed building consent being obtained for such alterations to the building as were deemed necessary. On 13th October 2020, the NFDC finally approved the applications for planning permission and listed building consent in connection with the proposed work at All Saints church. The main changes to the building will be the installation of a new central heating system and toilets. The NFDC approval document can be found on their website at: <https://planning.newforest.gov>. In the Search box towards the bottom of the page, type in 19/10950 for Planning Permission or 19/10951 for Listed Building Consent. This approval enables the Church Commissioners’ Scheme to be made and the leases to be signed. This could well take another month or so. The detailed planning for the building work can now be finalised and an application for an acoustic fence submitted to the NFDC.

Love in a Box: please leave donations in the parish office. We need gloves, a few hats (not scarves), toothpaste (not brushes), soap, colouring books, general stationery and small toys (not military). **Cash donations always appreciated and can be gift aided, including for monies already received. Please contact the parish office for a form.**

Churchyard maintenance: the edge around our church west end 'wild area' is once again clear of weeds - thanks to Rosie! Now ivy on the east end walls also needs attention before it takes a hold. Tools are available for anyone with even half an hour to spare for this important church fabric maintenance. Contact Maureen (674458) for tools or, if you have something suitable, please simply just go and do a bit - it can be surprisingly therapeutic!
