News

4th October 2020

Harvest Donations: please bring donations of non-perishable goods for the Basics Bank any time during Saturday 3rd October or the afternoon of Sunday 4th October and leave them on the platform by the nave altar. It won't be possible to present donations during the services next Sunday. At the moment they particularly need washing-up liquid; laundry detergent; J-cloths (etc); tinned meats for cooking (i.e. minced beef with onions, etc); canned meats (i.e. ham, etc) and custard (tinned or carton).

Kay's Ordination: Sunday, 4th October, at 10am in Winchester Cathedral and available on YouTube <https://youtu.be/ZOHk4SbQ7Pw>, live or watch later.

November Lymington Parish News: copy for original contributions for the November magazine should reach the Editor by Tuesday 6th October please. For regular contributors, the deadline is Thursday 15th October. Many thanks.

Heartedge Sermon Series: notes accompanying this series are available on our website or can be emailed directly if required. Please contact the parish office to be added to the email list.

Gas Meter Cupboard: The meter cupboard situated on our church west wall, behind the 'wild area', has been rescued from complete dilapidation. It now has a spanking new roof and doors! Our thanks to Andy Payne.

The Electoral Roll is now closed until after the APCM and can be checked via the parish office.

The Annual Parochial Church Meeting will be held on Wednesday October 14th at 7:30pm in the church. If anyone is interested in being nominated for election to either the Parochial Church Council or the Deanery Synod at the meeting, they are encouraged to talk to either the Vicar or the Churchwardens who will be able to give them more information about what the roles entail. Nomination forms are available from Mary Hill, the PCC Secretary at marychill45@gmail.com.

The Bishop's Commission for Mission Courses now include Lay Pastoral Work, even more necessary in these currently unsettled times. The courses last no more than one term and, due to the current restrictions, are taking place online (I have been assured that this is not as technically challenging as it may sound). The next course is being planned for January 2021. Please consider if you feel you are being called to support our parish pastoral work and would therefore like to find out more - from Maureen Harris (674458).

Services in Church: with the resumption of both styles of Sunday services, more people are worshipping in the church building so more care is needed regarding social distancing. Please note that government guidelines allow worship but not socialising! The natural pleasure of meeting again should neither distract from the reason for being there nor jeopardize the safety of others. Fellowship after the service is great though we suggest it happens well away in the churchyard (or perhaps a nearby cafe?). To conform with government regulations the church doors must remain open during services. Please ensure you dress accordingly. Thank you. Maureen

Macmillan Cancer Research: instead of holding an event in my garden I invited friends and family to donate to the charity. As a result £630.00 has been paid into the official giving site. Many thanks to every one who contributed. Sarah Bunce

Love in a Box: please leave donations in the parish office. We need gloves, a few hats (not scarves), toothpaste (not brushes), soap, colouring books, general stationery and small toys (not military), and cash donations always appreciated.

Apple Juicing at the Pennington Community Allotment, Saturday 3rd October, 9.30am-3.30pm: to book a half hour slot to juice your apples email your preferred time from 9.30am to 3pm to Sarah events@newforesttransition.org.uk. They will give you directions to the allotment, maximum 4 people per booking. Please bring empty bottles for your juice. Also see <https://www.facebook.com/events/2380153488961117/>

2040, Film Showing: watch any time Wednesday 7th or Thursday 8th October for a small donation of £2 or £4. Please then join a Q&A session on Thursday 8th 7pm on Zoom. See 2040 Film Trailer: <https://www.youtube.com/watch?v=p-rTQ443akE>.
