Church Book Club

A Walk In The Woods by Bill Bryson

'Short of doing it yourself, the best way of escaping into nature is to read a book like A Walk in the Woods... Mr Bryson has met this challenge with zest and considerable humour... a funny book, full of dry humour... the reader is rarely anything but exhilarated.'

For discussion on 24th February, 4pm

The Secret Garden by Frances Hodgson Burnett

'A magical novel for adults and children alike.'

For discussion on 10th March, 4pm

Wilding by Isabella Tree

'This tells the story of the 'Knepp experiment', a pioneering rewilding project in West Sussex, using free-roaming grazing animals to create new habitats for wildlife. Part gripping memoir, part fascinating account of the ecology of our countryside, *Wilding* is, above all, an inspiring story of hope.'
