To Take Away:

Look over your budget (or consider making one) and consider how much and what proportion of your income you give away. How do you plan to do this in the long term?

- ### **Week 3. The Administration of Grace**
- Do you plan your giving?
  - Read 2 Corinthians 8:16-9:5
  - Do you understand how your church operates financially? If you don't know, where or how would you find that information?
  - How does the way our church communicates, manages and makes spending decisions compare with the high standards that Paul sets?
  - How do we make decisions about spending in our church? What would be considered good or bad practice?
  - Do you know how much your church gives away to help others? Do you share in that generosity?
  - What does this mean for us in the world, our church & our individual lives?
  - How might our church grow in generosity towards those in need?
  - If you don't know about it, find out about the 'Parish Giving Scheme' that St Thomas uses as an administrative tool to help with giving.
  - Close in prayer for those in need and for the grace to be generous with our church resources and as individuals.
