Parish Mission Action Plan (pMAP): The main objectives in the plan are similar to those in our previous plan of 2019 and are:
1) Build our links with younger people; a group has been reconvened to work on this. If you are interested in this topic and feel you have something to offer, please contact Andy Clapper. Andy.clapper@btinternet.com or 07807 854025.
2) Tell the Christian story through our land and buildings;
3) People will discover their gifts and vocations;
4) Every member will feel connected to and cared for by the church community. These will be our priorities through the vacancy, alongside finding a new vicar. The detailed plan is available from the office.

Please help us with our Travel to Church Survey: The Church of England has set a target of achieving net carbon zero by 2030. In order to help achieve this we are using the Climate Stewards 360° Toolkit, to calculate and monitor the carbon footprint for our Church. This covers various aspects of our Church life including our energy and food use, waste and water and how we all travel to church. To help us complete this, we will be asking you to fill in a short form over the next few Sundays.

Hinton Music Festival Saturday 2nd July & Sunday 3rd July at 6.30pm: The Retreat, New Forest.
