

Models Of Healing

Week of 30th of April 2023

Read James 5 : 13 - 16

- Have you an example of when you have been suffering in some way? Did prayer help? Did involving others have any beneficial effect?
- Do you think that “and the prayer of faith will save the sick man,” is referring to physical sickness or spiritual sickness?
- There is a direct link between forgiveness of sins and healing in this passage. Do you believe that?

Read John 10 : 1 - 10

- Jesus clearly is indicating that he is the only legitimate “door” by which one can enter. Who is the “thief and a robber” that he later refers to?
- How do we know the one referred to by the phrase “for they know his voice.”
- How do we avoid being misled by “the thief?”
- What are the “Models of Healing” that the references in John 10 are guiding us to?
