Churchyard grass-cutting: help needed. Two of our wonderful volunteers have started the annual cut of long grass at the far end of the churchyard. It would greatly help those strimming if anyone could volunteer to remove the cut grass (to a designated area). Help is needed intermittently from now through September and until it is all cut. If anyone could help with strimming, using the wheeled strimmer (instruction available), that would be great, too. For more info and if you can help, please contact Rosie Ward or the church office.

Do you have a favourite image of creation? Might it be a beautiful landscape, a picture of a newborn grandchild or even the ceiling of the Sistine Chapel? We are starting a series of Sunday Services based on Creation and would love you to send us a picture/image we could use in the service on September 10th. If you would like to add a short sentence explaining why the picture/image is important to you, that would be even better! Please send your images/pictures to the Church Office by Sunday 3rd September. Thank you.
